

## ONE ROOT MISSION STATEMENT:

To present an opportunity for all people to share and experience cultural traditions by celebrating the oneness in the community through a diversity of music, arts and food.

## ONE ROOT VISION:

The One Root Festival is an annual event that celebrates diversity through the presentation of the music, dances, arts, crafts and foods of various cultures. The event adopts a daytime, outdoor and interactive festival format. A section of Royer Park will be used for the daylong event. Booths of high quality multicultural artisans, crafters and food purveyors line the park. Live performing artists are featured throughout the day on three strategically located stages. Festival entrance is free and accessible to the public. Zoned alcohol, tobacco and drug-free, One Root Festival is inviting and enriching for individuals, families and children of all ages. The interaction between volunteers, vendors, performing artists and attending public, provides many opportunities for sharing of family and cultural traditions. The environment is clean, safe, and cheerful. Though One Root Festival is located in Roseville, its draw is regional. Working closely within the network of local and regional agencies and groups, businesses and the media, the festival builds volunteer and sponsorship support.
